

# DETERMINATION

DECIDING IT'S WORTH IT TO FINISH WHAT YOU STARTED

**BOTTOM LINE:** Keep going even when the job is bigger than you think.

Read Acts 10:35

DAY **1**

## The Envelope Game

Ask an adult to plan three chores for you. The first should be small, the second larger, and the third is the largest. Have the adult write down each job and place it in a separate envelope. With each finished task, you will receive a new envelope. Your job is to keep going even when the job is bigger than you think.

**THANK** God for the ability to keep going no matter how big the job.

DAY **2**

## People Pictures

Find a piece of paper and something to draw with. In the center of the paper write, "Go tell about Jesus!" All around the words draw pictures of all different types of people. Draw people with every kind of hair, skin, eyes, and clothes. God gave Paul the job of telling all different types of people the good news about Jesus. This was a big job! **LOOK** at your picture and know that even if God gives you a job as big as Paul's was, He will help you to keep going!

DAY **3**

## Do Good for Others at School

Have an adult help you look up Galatians 6:9 in your Bible. Pick three good things to do at school this week. You might help the teacher organize the classroom, pick up all the trash in the cafeteria or on the playground, or help a friend with a project. **KNOW** that no matter how big the task gets, you can ask God to help you finish it.

DAY **4**

## Keep Praying!

Say this prayer, "God, this is big, but I know you are bigger! Help me to keep going." Repeat this prayer anytime this week when the job you are doing becomes bigger than you thought it would be. Remember to **ASK** God to help you no matter how big or small the job is.
