

# GOOOOAL!

## BOTTOM LINE

PUT  
others  
first.

## MEMORY VERSE

Philippians 2:3, NIV  
“Don’t do anything  
only to get ahead.  
Don’t do it because  
you are proud.  
Instead, be humble.  
Value others more  
than yourselves.”

As a parent, it can feel like all day, every day is a lesson in putting our kids first. And most of the time we do it with little to no recognition. But humility isn't just about the serving. It's about the attitude behind it and love that motivates it. This month, work on going above and beyond to do things for your children with a humble heart—and not a tired, reluctant or frustrated one. As the most powerful people in the house, we have the opportunity to set the tone for what serving others in humility looks like. Because our kids are more than just the recipients of our humility, they are observers of it, and taking cues on how to do it themselves.

## GOD TIME

Encourage your children to have some God time this week using the God Time cards distributed at the end of service. Each day includes a verse(s) to read, a devotion, an activity which makes a real-life application of the day's devotion, and a suggested prayer.

## MORNING TIME

This month, at the start of each week, have every family member pick the name of another family member. The goal is to look for and then act on ways everyone can put the needs of their person first that week. Try to be as secretive as possible, and by the end of the week, see if each of you can guess who had who as their "target."

## NIGHT TIME

Read Philippians 2:3-8 together as a family. Thank God for teaching you about the value of humility and giving you the ability to be humble. Ask God to help you show that you are here to serve others rather than be served.

## DRIVE TIME

While driving to school, waiting at the bus stop, etc., have your child think through the people in their lives whom they could show humility towards. Who can they put ahead of them? And then, most important, how do they plan on showing humility to their classmate?

## MEAL TIME

ASK EACH OTHER: Think about your day. Did anyone put your needs before their own today? How did that make you feel?
